Pastor's Message

I'm Sorry Lord. I've Fasted & Waited Enough!

Lent is a season of forty days, not counting Sundays, which begin on Ash Wednesday and ends on Holy Saturday. Lent is an old Anglo-Saxon word that translates loosely as "Spring."

This church season has been designated as a time of preparation for celebrating Easter. It has traditionally been a time of fasting, repentance, and waiting. It is a more somber season but not completely void of enthusiasm.

During the last two years of the pandemic, the church is well acquainted with fasting and waiting. Fasting and waiting requires patience, reflection, and self-control. I am reminded of Psalm 13 especially in this pandemic year where David writes these words: "Lord, how long must I wait? Will you forget me forever? How long must I struggle with my thoughts? Lord my God, look at me and answer me. Give me new life, or I will die But I trust your faithful love. My heart is filled with joy because you will save me. I will sing praise to the Lord. He has been good to me." NIRV

We have been fasting and waiting for two years! At times over the last 24 months, we have fasted from congregating, we have fasted from eating together, we have fasted from visiting, shaking hands and hugging. We have fasted from the sacraments and especially Holy Communion. We have fasted from Sunday School

and fellowship. We have fasted from mission trips. We have fasted from seeing each other's faces. We have fasted from the joy of watching all the wonderful children in our congregation grow up over the last two years. We have fasted and waited for the return to normalcy. To tell you the truth, I'm tired of fasting and waiting! We have already given up so much over the last two years, I don't feel like giving up anymore! I have reflected enough! I still need to repent, but other than that Lord, I'm sorry, I've got no fasting and waiting left in my heart! Yet, I know what our Lord prayed in the garden and will be obedient.

“My Father, if it is possible, may this cup be taken from me. Yet not as I will, but as you will.”

The cup that is COVID 19 will not defeat us! The cup that we have all had to endure will not steal our joy or diminish our hope! The cup that is the Pandemic, will not have victory over the church! Lord, forgive us and give us strength, courage, resolve and an extra measure of faith as we enter into the Lenten season of 2022. This Lenten season, I will continue to pray every day and every night. I will continue to give and serve. I will continue to be present in my church. I will continue to give witness to the truth, mercy, hope, grace, and love of Jesus. I will continue to fulfill my call to the best of my ability. I will repent and I will wait, and I will fast!

Congratulations to Candice and Will Jones on the birth of their daughter, Oakley Sue. She is healthy 6 lb 15 oz and 20 1/4" long. Siblings, Layla and Bubba are over the moon.

Have you given your email address to Keith Roberts, yet?

Pastor Steve has special notices he needs to send to those who attend Burnt Factory. The notices will include not only prayer concerns, but also schedule changes during bad weather.

Keith keeps an email list in his computer for just such purposes. Your email address is protected and emails are sent, recipients not disclosed, to protect your privacy.

Kindly send your email address to Keith Roberts at john.k.roberts@comcast.net with the message:

UMW MARCH 2022 NEWSLETTER

There was no news for February since we haven't met since December 16th, 2021. We never meet in January, but usually have our *Call to Prayer* program in February. With things being as they are (still struggling with COVID numbers and "iffy" February weather) we made the decision to hold off until March when, we pray, things will be better.

Many of us contributed kitchen items needed for the ministry helping an Afghan family resettle into the Winchester Community. So, even though we haven't met together in January or February, we have been active.

I was present at a Zoom UMW executive meeting January 9, 2022. The District Prayer Breakfast was discussed. It was decided to cancel after having been set for Saturday, March 19th at Braddock Street UMC. It will be cancelled in person for 2022 but will visit the idea of an outdoor gathering when the executive committee meets again. They said Box Tops can still be mailed to Red Bird Mission in Kentucky. Stamps are a dead issue and no longer being collected.

Our unit will meet in the fellowship hall Thursday, March 17th on St. Patrick's Day! We look forward to Doris Duvall leading our *Call to Prayer* program and she will be providing firsthand information about the Afghan family. You won't want to miss this program! Our treasurer, Anne Perrault, will be glad to assist you in making a pledge for 2022, if you haven't already. Kathy Dixon has graciously agreed to be our refreshment hostess – switching from Valentine's Day theme to St Patrick's Day! So, get your green on and come to our meeting. Remember, "More than all the shamrocks in Ireland, that's how much God loves you. Ye are special!

Blessings, Polly Duvall, president

God of All Seasons

*“There is a time for everything, and a season for every activity under Heaven”
(Ecclesiastes 3:1)*

As a member of the boomer generation, my kids were growing up. One was graduating from high school, the other starting high school. My life was changing and easing, as they were becoming more self-sufficient. Soon they would be leaving home and making their own place in the world. Their Dad and I looked forward to the time we would be able to do the many things we always talked about, time as a couple, date nights, travel, and eventual retirement.

I soon began those full circle moments, when the child takes the role of the parent while caring for my mother. While we were eating out, she went to the restroom, and we quickly realized that she would need to change her undergarments. I had left my backpack with things she needed and had to get it from our table. As I came back into the restroom, I had the realization of how my mother used to carry a bag for my things when I was a baby. She took great care of me as I was growing up. My next thought was how I used to carry around a bag full of items to care for my own children. Now, I was carrying a bag for my mother.

It's so interesting to think about being in the role of mother and daughter at the same time, in the same space. Without a doubt, there are times when these two worlds or roles clash. However, there are times when they blend beautifully. I loved those days when I could be the mother to my children and the daughter of a mother with dementia. When life was peaceful. These were the happy times. These were the times when I felt like all was well with the world.

Then, there would be the moments when relationships didn't blend as well. The times when I felt like I wanted to be rescued from the responsibilities. The times I felt like I can't do anything but fall to my knees and pray. It was in those times that I thought about the verse in Ecclesiastes 3:1, “There is a time for everything, and a season for every activity under Heaven.”

I prayed I would experience more seasons of peace and solace in my future. As Mom and I walked hand in hand with God, we were able to endure the many different experiences of life, knowing He was present in every single one.

God, you are present with each of us, in all the seasons of our lives. When we face the unknown, difficulties and joys, we can trust that you are in control.

Amen

Friends,

If you have the need to talk to someone who has walked in your shoes, please contact me. I'm available to meet with you, any place or time.

Wishing you peace, love, and joy -

March 2022 Faith Community Nurse Article

The Red Cross needs you to please ROLL UP YOUR SLEEVE

The American Red Cross is facing a national blood crisis, its worst shortage in over a decade. This shortage is forcing doctors to decide which patients receive blood transfusions and which ones must wait. Blood and platelet donations are critically needed to help prevent further delays in vital medical treatments.

The Red Cross has experienced a 10% decline in the number of people donating blood since the beginning of the pandemic and continues to confront relentless issues due to the pandemic, including ongoing blood drive cancellations and staffing limitations.

Each Red Cross blood drive and donation center follows the highest standards of safety and infection control. Individuals who have received a COVID-19 vaccine are still eligible to donate blood and platelets. Knowing the name of the manufacturer of the vaccine they received is important in determining blood donation eligibility.

One of the most important ways to support the Red Cross is to roll up a sleeve to help ensure people receive the care they need. Make an appointment to give blood or platelets as soon as possible by using the Red Cross Blood Donor App, visiting RedCrossBlood.org or calling 1-800-RED CROSS (1-800-733-2767). Donors can complete pre-reading material and donor health history questions BEFORE coming to the blood drive. This can reduce donation time by at least 15 minutes. More information is available on redcrossblood.org/RapidPass.

A big thank you to Marcia Etu, Dennis Loeffler and Lisa Wilt, of the Red Cross for their help with this article.

Continually *praying for your health and well-being.*

March 2022 Relay for Life Newsletter Article

Cancer is one of the medical conditions that the CDC has determined places a person at a higher risk of severe illness from COVID-19. After completing the primary vaccine series, moderately or severely compromised people should get an additional primary shot. Please speak to your healthcare provider about your risk.

Please put **Monday, April 11, 2022, at 7:00 p.m.** on your calendars!

We will **kick-off Relay for Life of Winchester/Frederick County** at the Stonewall Ruritan Building. There will be guest speakers, refreshments, prizes, and the theme for the 2022 Relay will be announced.

If you have an idea for a theme for the 2022 Relay, please let me know so that we can include your idea.

The website for 2022 is on the Relay for Life website. **Please go on the website and register for The Believers team as soon as you can.** You must register every year. We are hoping to grow our team this year. The event will be on Saturday, September 10, 2022 from 3:00 p.m. to 11:00 p.m. at the Stonewall Ruritan grounds.

Lisa and I look forward to getting our team together soon and we thank you from the bottom of our hearts for your continued support of **The Believers!**

CCAP Corner

March 2022

CCAP, the Congregational-Community Action Project, is a cooperative ministry of area churches and one synagogue serving Winchester and Frederick County that have joined together to provide financial, material, and supportive assistance to people in need. CCAP is located at 112 and 106 S. Kent Street.

Our next CCAP collection will be for the EASTER FOOD GIVEAWAY. We are no longer collecting Easter Baskets as we have in the past. The CCAP Board feels that people are more in need of food; however, the food baskets will include items for Kid's baskets. Our church has been asked to provide canned green beans, boxed potatoes and gravy packets or cans (no glass please) for the food baskets. These items can be dropped off in the collection bins through Sunday, March 20th.

Food Box packing Team – Our team spends about 2 hours on Tuesday nights packing food boxes for the Pantry. These boxes are key to feeding our CCAP families. In December, 443 families were served using our boxes along with other items. Two other churches have now joined in this mission; we are now packing just two Tuesdays a month. If you would like to be part of our team, please let me or anyone on Outreach know and we will add you to our mailing list.

Volunteer Opportunities:

Drivers are needed to pick up food at local stores. Food is picked up Mon-Thurs and Sat from 8-11am. We are hoping to extend the Pantry hours to better serve our clients. To do this, we need volunteers in the Pantry from 8:30 to 2:30 Monday – Friday. Volunteers are also needed in Finance and Reception. We are always looking for volunteers to help in the clothing area. Kathy Dixon, Cheryl Jones, Penny Croll and I currently work in Clothing.

In March, we will be receiving large donations from the Rhea Lana and Mom2Mom consignments. Volunteers will be needed to sort these donations. The donations we receive are wonderful. This is a fun time to meet other volunteers. Sorting will be done 3/8 – 3/17 from 9-2 and again on 3/28 – 4/7 from 9-2. Any hours you could spend here would be greatly appreciated.

For more information on helping at CCAP, go to the updated CCAP website at www.ccapwinchester.org. This site has a lot of information about CCAP and what it offers to clients. There is also more detailed information about volunteer opportunities. On the HOME page, scroll down to the Become a Volunteer section and enter your information to become part of the pool of volunteers. Once you're signed up to volunteer, you will receive email notifications of volunteer opportunities.

Please contact me or anyone on the Outreach Committee if you are interested in helping at CCAP and we can give you a tour and talk more about what goes on there.

Thanks so much for your continued support of this Ministry.

A NOTE FROM OUR PASTOR

Sisters and Brothers in Christ,

This March will mark the two-year anniversary of the pandemic. Burnt Factory UMC has weathered the storm of COVID very well. We have not experienced an outbreak. Our attendance (including live stream) has been good only experiencing a 20% decline from mid-March of 2020. Our giving and mission output has been tremendous. The latest variant has certainly been very contagious and many of our congregation members have been sick. I was able to dodge the virus for 22 months even after being exposed several times and getting tested many times. My family finally succumbed to the omicron variant but weathered the virus with minor symptoms for the most part. I thank God we were fully vaccinated for I believe it would have been a very different experience without it.

It has become obvious, at least to me, that this virus will not be eradicated. It is something we hopefully will be better able to fight with the advent of new medications and treatments that are being developed. We also are hopeful that more people will come to understand the importance in being fully vaccinated. One thing is for sure, vaccinations keep the vast majority of people out of the hospital (not taxing our health care system) and more importantly, out of the funeral home. These statistics are not political and not biased. They are without dispute. The HCT has prayed and discerned how best to move forward at BFUMC and believe the time is now to initiate a mask optional protocol for all the congregation. This will come with the following recommendations, encouragements, and direction.

- BFUMC will no longer require face coverings. They will be optional for all the congregation. Many people will still choose to wear face coverings regardless of their vaccination status and we will still encourage the use of face coverings. It is not the church's intent to make anyone feel isolated, judged, guilty or set apart. Our desire has always been to keep people safe. We encourage everyone who feels more secure and safe with a face covering to continue to wear one. Everyone who needs to wear a face covering to protect themselves and others should continue to wear one for everyone's safety.
- The Global/Universal United Methodist Church, including BFUMC, strongly continues to encourage vaccinations and boosters. We realize that even with vaccinations, those with compromising health issues can experience serious illness and will need to continue to take necessary pre-cautions.
- BFUMC encourages those who are sick with flu or cold symptoms on Sunday mornings to stay home, watch the service online, and get well. We encourage the continued use of hand sanitizers and hand washing. We encourage those who are not comfortable with engaging in certain acts of worship and fellowship to make decisions that are best for them.

Blessing in Christ,

Pastor Steve
