The Pastor's Message

Our staff meeting last Wednesday fell on a very special day in the history of the United Methodist Church. May 24th is designated as Aldersgate Day. Our Founder, John Wesley, at around eight o'clock in the evening, went very reluctantly to a small group gathering held on Aldersgate Street in London. In 1738, John Wesley was 34 years old and had been a priest for many years, but he still found himself struggling with his faith.

Let me share his journal entry from that evening.

“In the evening I went very unwillingly to a society meeting in Aldersgate Street, where one was reading Luther's preface to the Epistle to the Romans. About a quarter before nine, while he was describing the change which God works in the heart through faith in Christ, I felt my heart strangely warmed. I felt I did trust in Christ, Christ alone, for salvation; and as assurance was given me that He had taken away my sins, even mine, and saved me from the law of sin and death.”

Here is Wesley's entry from the next morning. May 25th 1738.

*“The moment I awaked, “Jesus, Master,” was in my heart and in my mouth; and I found all my strength lay in keeping my eye fixed upon Him, and my soul waiting on Him continually. Being again at St. Paul's in the afternoon, I could taste the good word of God in the anthem, which began, **My song shall be always of the loving-kindness of the Lord. With my mouth will I ever be showing forth thy truth from one generation to another.**”*

I pray that God has warmed your heart too and that you have claimed the blessed assurance of the forgiveness you have been granted by our Lord. I pray that we all can grab hold of the truth, that it is only Jesus who can cleanse our sin. It is only through faith in Jesus, by the grace of God, that we can be confident of our salvation, *and the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.*

Pastor Steve

The nation's first Father's Day was celebrated on June 19, 1910, in the state of Washington. However, it was not until 1972–58 years after President Woodrow Wilson made Mother's Day official—that the day honoring fathers became a nationwide holiday in the United States. Father's Day 2023 will occur on Sunday, June 18.

Happy Father's Day
To all Burnt Factory Dads.
The not yet, Dads
The Stepdads
Those who step in as Dads
The Moms who are Dads
The Grandads
And the Dads who are no longer
with us.

Son: Dad, have you seen my sunglasses? **Dad:** No, have you seen my dad glasses?

I needed a password eight characters long, so I picked Snow White and the Seven Dwarfs.

National Go Barefoot Day is on June 1st and this is an opportunity for us to not only enjoy the feeling of walking around barefoot but also support a charity that strives to provide underprivileged children with shoes. Often, we don't realize how privileged we are to have something as simple as shoes to wear. On this day, it's imperative to take cognizance of our privilege and give to those in need. The WATTS program would appreciate any adult sized shoes. Leave for Steve Cunningham in the fellowship hall.

On Mother's Day, Pastor Steve read this poem, written by Buddy Willis. He was in sixth grade when he wrote it. Several of you have asked for a copy.

MY MOTHER'S PRAYER

by Buddy Willis 6th grade

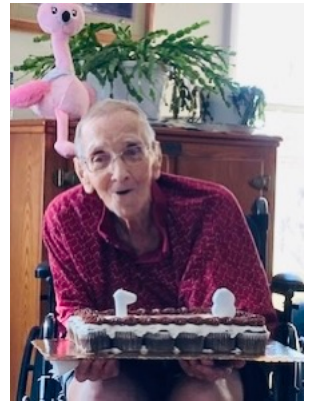

Before my mother goes to bed, she gets down on knees and bows her head.
She thanks the Lord for the day & blesses him for seeing her children on the way.

Once in a while she will shed a tear when she thinks of "her" mother dear, who has
gone to that blessed land above, to be thanked for her dear love.
She also thanks the Lord for the birds & the bees and often she says a prayer for me.

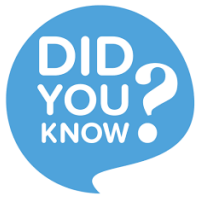

But last of all she thanks him for her life when he has helped her to put up a strong fight.
To see that her children are safely fed before she tucks them in their beds.

When she has gone and done her deed, her children will miss her loving,
which they need.

But she will still be with them in spirit until the day she takes that beloved trip.

6th Grade

Buddy has been a member of BFUMC for 82+ years, faithfully and happily. In 1941, around the age of five years, Buddy's family moved to the Kackley Farm. Even as a young child he helped with the cows and tasks on the farm. Also, he has a twin sister, Charlotte. He remembers them being close and getting along well. Charlotte resides in Florida. Charlotte helped on the inside of the farmhouse and Buddy on the outside along with his three brothers. He jokes, "We had a horse, but our neighbors had two horses. Their names were Giddyup and Whoa. They had a time with those horses."

Buddy and Margie went to school together. They first met around seventh grade as Buddy was the Bus Patrol making sure Margie and others got on and off the bus safely. He always spoke and eventually would include a wink Margie's way. They ended up dating at the end of high school and were married at Greenway EUB Church on October 12, 1957. It is told that Buddy was 40 minutes late to his wedding as Herbert, his brother, failed to pick him up. No worries. Buddy got a cab. They have been married for 65 years.

The Burnt Factory **United Women in Faith** have been busy:

- Cleaned the church while Rhonda Snyder was caring for her mom.
- Currently donating school kits to Bright Futures which serves area school children in need of school supplies.
- Prepare and serve dinner to Ruritan club members on May 31st as a fundraiser for our organization. Money raised will help us with the many missions that we support.
- Currently collecting items for Operation Remember, there will be a separate email, requesting items needed.

Our next meeting is a change of date due to the Spaghetti Dinner and basket auction. We will meet on Saturday, July 15th at 10:00am, with Doris Duvall leading us in the Call to Prayer program. Penny Croll and Jani Shope will be serving as hostesses. We would love to see all women of the church attend our meetings and get involved with our work. It is a great time of fellowship and another opportunity to use our gifts. Please contact me or any member if you want to learn more.

Children's Awareness Month

Children reflect our greatest hope as a nation, and childhood is a critical time for all. It is the stage in our lives that would set the course for our overall social, emotional, and physical health as well as economic circumstances. In fact, young children at the beginning of their learning stage, who receive a high-quality education, see tremendous dividends for the rest of their lives. This includes higher academic performance in later stages, increased chances of attending college, higher lifetime earnings, and reduced likelihood of being involved in crimes.

Children's Awareness Month was initially founded in the loving memory of all the children who have died violent deaths in America. It has evolved into something bigger. Children's Awareness Month has become a time to spend nurturing and cultivating the joys and treasures of childhood. This month aims to encourage, support, and educate children while prioritizing their health and well-being.

Every child deserves to be valued and cherished. As parents and well-wishers, we have no greater responsibility than to instill the hope of a better tomorrow for our younger generation. On this Children's Awareness Month, let us unite and take a strand to promise that we will work with our children to instill a spirit of confidence, pride, and self-esteem in them. Always remember that every child deserves a chance to succeed.

How to Observe Children's Awareness Month

1. Volunteer in your community

The best thing you can do to celebrate Children's Awareness Month is to volunteer as a tutor or mentor to children in your community. Through this platform, you can help them engage their intellect and to creative.

2. Become an advocate

Support policies and programs that improve access to children's education, childcare, and the prevention of child abuse. This is another impactful way to celebrate this important month.

3. Donate to the cause

You may also donate to the various organizations driving child empowerment. There are many charitable groups in the U.S. that push for a healthier and more stable life for children.

Why Children's Awareness Month is Important

- **Empowering children is noble**
Empowering children to be aware and grow greater heights boosts their confidence and self-esteem and makes them happy and comfortable. Child empowerment is a worthy and ethical cause.
- **It fosters better learners**
Children's Awareness Month is a positive holiday that helps children understand that they are powerful creators in their own world. It also boosts their learning skills and makes them effective learners.
- **Psychological development is important**
Psychological development is as important as physical and mental development. It forms a crucial basis for decision making, forming ideologies, and enhancing personal abilities.

"Jesus said, 'Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these.'" Matthew 19:14

Continually praying for your health and well-being.

Theresa

The Believers

June 2023

Our first fundraiser is the **spaghetti dinner/themed basket auction on Saturday, June 24th from 5:00 p.m. - 6:30 pm**

We need your support to make this a huge success!!!!

Tickets will be on sale now. They can be purchased after both services from now until the Sunday before the event. Adult tickets are \$10.00, Children ages 5-12 are \$5.00 and Children under 5 are free.

We need lots of themed baskets for Pastor Steve to auction off. All basket labels need to be turned in to Keith Roberts by June 18th. The baskets can be turned in to Keith beginning on June 18th and no later than Noon on June 24th. If you need to have a basket picked up, please contact Keith Robert at john.k.roberts@comcast.net

There will be a silent auction that begins at 5:00 until 6:30 p.m. when the basket auction begins.

We are also selling "Helping Hands" for \$5.00 each after both Sunday services. These are for you to remember someone who is fighting to beat cancer and for those we have lost. They will be on display at the spaghetti dinner.

If you feel led to help us with this event, there are multiple opportunities with sign-up sheets in the social hall.

Christie Yates is offering a watercolor painting opportunity. The first event is to paint beautiful hydrangeas. The cost is \$20.00 and will be limiting to 10 people. Please contact Christie to register or for more information at Christie_yates@hotmail.com

Our next Believers meeting is scheduled for Monday, June 19th at 6:30 p.m. All are welcome!! You do not have to be a member of the church to be a "Believer", you just need to have the desire to fight cancer!! We have decided as a group to support the non-profit, [Helping Hands Cancer Outreach](#). The mission of this organization is to help relieve financial burdens to help patients relax during treatment, and to help those who have lost a loved one to cancer through help with funeral expenses. 100% of money raised on their behalf goes to the patients. All applicants are eligible for assistance up to \$3000.00 per year. All payouts are made directly to the billing company, except for medical bills.

"Cancer can touch you, but not your soul; neither your thoughts, nor your heart."

On behalf of Lisa Garver, Lisa Patterson and myself we appreciate your support.

Burnt Factory United Methodist Men

June 2023

Our next meeting will be Wednesday June 7th at 7:00 PM in the fellowship hall. We need to begin planning for **Apple Butter 2023**. All males who attend Burnt Factory UMC are part of our UMMen fellowship and are encouraged to join us.

Potatoes have broken ground and are looking very good. We still need 11 rows adopted to keep the weeds cleared from the adopted row. The rototilling will be taken care of so the adoptee's will only need to keep their row(s) clear of weeds. You can do this at your convenience and do not have to make any arrangements with anyone else. It is a very convenient way to be in ministry.

The Burnt Factory Missions team will be undertaking a mission trip this summer from Sunday June 25 to Friday June 30 in southeastern Pennsylvania to work on some homes devastated by Hurricane IDA in September 2021. For more details get in touch with Marcia Etu by email marciametu@gmail.com or call (518) 744-5150

Mark your calendars now for Apple Butter 2023 to be held on October 21st so mark your calendars. Our fun will begin on Thursday October 19th with apple peeling and snitting and will culminate when the project begins at 12:00 AM on Saturday October 21st with the delicious product coming off to be jarred in the early afternoon. Look for more details coming this summer.

WATTS Report

June 2023

As you enter Spring cleaning, remember our WATTS ministry. We are always in need of larger size clothing items including coats, jackets, sweatshirts, sweatpants, blue jeans, and shoes among other clothing items. If you have any of these gently used items let me know and I can gather them from you and hold them for our week of hosting our WATTS guests this fall.

As you may have seen on our Facebook page, our church was able to present the WATTS Board of Directors with a \$5,000 gift that was part of a larger gift that was left to our church from the estate of a community member who while did not attend our church left us with a nice endowment upon her passing. WATTS was very appreciative of this gift.

If you have any question about the WATTS ministry, please let me know.

CCAP is located at 112 and 106 S. Kent Street.

CCAP will be holding a **CELEBRATION OF LIFE FOR HARRISON HUGHES** on Wednesday, June 7 at 6PM at CCAP. Harrison was a long-time volunteer who was tragically killed in a car accident recently. He had a huge heart for anyone in need and spent many hours working at CCAP doing whatever needed to be done on a given day. Many of us had the privilege of working with him either in the Pantry or at the Clothing House. The jobs he did on site were endless and he spent many hours in a CCAP Vehicle picking up and delivering store items. He had the biggest heart and will be greatly missed.

Our next **QUARTERLY CCAP COLLECTION** will be in July. We will be collecting new Men's and Women's underwear and Men's white socks. More details will be in the July Newsletter and the Church Bulletin.

CCAP VOLUNTEER TEAM – This team is called on to help as needed. In the next few months, we will be meeting twice to pack food boxes. These boxes will be used as an outreach offsite. The team will be notified through email when we have the pack party. If you would like to receive the email when these opportunities arise, let me know. On the chosen day, we will work after hours at CCAP; usually from 5:30 – 7pm.

FRIENDLY NEIGHBORHOOD FREEDGE is open 24 hours a day at **419 N CAMERON ST** near the **Our Health Campus**. CCAP has partnered with Our Health, Valley Health, and local restaurants to reduce food insecurity and food waste in Winchester. To sign up to be part of a cleaning crew for a day or week; go to www.ccapwinchester.org and click on the link to Our Friendly Neighborhood FREEDGE at the top of the website. Andrea Cosans, CCAP Executive Director, reports that two more FREEDGES will be added in 2023; One at Abundant Life Church and one at Jim Barnett Park.
