## **Christmas Letter to the Church for 2023**

It is truly difficult to grasp that this December 25<sup>th</sup> will mark our 18<sup>th</sup> Christmas with the good and faithful disciples of Burnt Factory Church! Melanie and I are so very thankful and so blessed to be in ministry with all of you. Over the years, we have experienced many changes at the corner of Jordan Springs Rd. and Burnt Factory Rd.

Over those 18 years; we have faced numerous challenges and struggles along with many blessings and joys. We have welcomed many new faces to the family and sadly, we have said “goodbye until we meet again” to many friends and saints of the church. We adapted to the very wonderful challenges related to a growing congregation. We endured the complications and stresses that come with a million-dollar church expansion project. We took a gamble and trusted in God when we added to our already sizable debt by purchasing the property that was located across the road from the church. We persevered through, perhaps the greatest crisis to the modern church in decades, by taking head on the adversities and tribulations of the pandemic.

We have persevered through a schism in the United Methodist Church that eventually led Burnt Factory to make the most excruciating decision in its entire history.

In all this time, six principles have remained constant and that is your deep and abiding faith and hope in Jesus Christ, your willingness to seek God's will, your non-relenting commitment to mission, your warmth and welcoming nature to all people, your nurturing personality, and the focus on sharing the love of Christ with all people!

Melanie and I want to thank you for loving us and showing us what is possible when God's people pull together. We want to thank you for displaying what it truly means to be the hands and feet of Jesus; to truly embrace being the body of Christ. I believe with all my heart that BFC authentically and genuinely strives toward fulfilling the mission of the church, which is "To make disciples of Jesus Christ for the transformation of the world."

Friends, a church is not completely and totally defined by doctrine and dogma. A church is not defined by how much mission they participate in or how big their membership is or by how many programs and services they provide. A church is not defined by how big their bank account is or what name or symbol is on the front of the building. A church is defined by the people and the people of Burnt Factory are my family. Good, bad or somewhere in between, you are our family and we love you! To love God with all our heart, soul and strength and love others as we love ourselves is what a church does and Burnt Factory may not be perfect but by the grace of God, we keep trying! Melanie and I are humbled and very thankful to be a small part of this church family and we look forward to where God is going to lead us in 2024!

The Melester family wants to wish your entire family the most joyous, wonderful, and merry Christmas! We hope that your New Year will be one of great blessing and fulfillment. We hope for each and every one of you a year filled with the love and peace of our Lord Jesus Christ!

I close with one of my favorite Apostle Paul greetings. To the church in Philippi that he so very deeply loved, he opened his letter with these words. They are words that I echo for all of you. *"I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus."* God bless each and every one of you and Merry Christmas! We love you all!

Melanie & Steve

### LOOKING AHEAD

We will be kicking off a four-part sermon series, beginning on the first Sunday of the New Year on the wonderful Book of Jonah.

The holidays are a time for spending time with family, and friends in fellowship. It's a time of gatherings and holiday pageants, it's a time of decorating and shopping. It's a time of chaos and busyness, so let's take some time to look at spending quality time in these opportunities, and quality time for the Reason for the Season, Jesus. WE can't have the cross without the manger. Thank you, Jesus, for coming to earth, giving up your throne, and becoming fully human to be in relationship with us. Jesus, we Celebrate you!

I want to wish you a wonderful and peaceful Christmas season!

Love,

Miss Carrie

## December 2023 Faith Community Nurse Article

### A Prayer for Health During the Holiday Season

On average, people in the United States gain just one pound during the holiday season (that's just from Thanksgiving through Christmas), but those pounds add up over the years! Advent is the time to mentally and spiritually plan for healthy physical habits during the sometimes stressful holiday season and over the winter months.

*Loving and intimate God, thank you for these days of harvest and homecoming that lead us into the holy days of remembering your presence with us. As we remember the years gone by, we give thanks for loved ones who have gone before, who nurtured us with hugs and hot chocolate, kisses and cookies. Help us dwell on the hugs and kisses, and to pass those on to our loved ones.*

*We remember the joy of celebrating Holy Days and holidays with food, and we long for things to be special. Help us to remember that as your people, we are already special in your accepting eyes, much more than any meal we could prepare. Fill our emptiness – the spiritual hunger, loneliness, and insecurity that we feel. Help us see that we are loved for who we are, not for what we cook or bake for others. Help us to celebrate our precious bodies and to care for them with nourishing and health-giving food.*

*Generous and encouraging God, show us how to meditate on your sacred and perfect nature, and not get caught by the seductive promises of earthly perfections that beckon from magazine headlines. Help us not to fall into the trap of believing that “this year we will do it right.” Everything is already right when we are right with you.*

*And finally, eternal God of summer, fall, winter, and spring, empower us to move our bodies each day in response to your love, as we run joyfully into the future you have prepared for us. In your loving name, we pray, Amen.*

*“Every good and perfect gift is from above, coming down from the Father of the heavenly lights”*

*James 1:17 NIV*

Continually **praying** for your health and well-being.

Our grief support group is a safe, welcoming place where people understand the difficulty of grief. With Pathfinder's, you'll meet others who are grieving and enjoy fellowship, who are suffering the same issues, loneliness and heartache, as you. There is nothing "normal" about grief. We all grieve differently, in our own way, which is how it is supposed to be. There is no neat, orderly stages of grief. We learn helpful ways of coping, in all its unpredictability—and gain solid support, from one another, each step of the way.

## Greetings from the Outreach Team

### The Outreach Mission Statement

*1 Peter 4:10-11 "Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms so that in all things God may be praised through Jesus Christ."*

Greetings from the Outreach Team. December is a blessed time of year. Advent is so full of excitement and joy. Something about the expectation of a baby, and the joy surrounding it's arrival, fills me with hope. Knowing the story of this particular arrival fills the world with hope! We wish you all the joy of the season as we carry out our missions and invite you to share with us this holy time of year.

We had a wonderful fall with a terrific CCAP collection for Thanksgiving. Please see Patty's CCAP article for details. Karen Willis organized a team to help Bright Futures to fill backpacks with food for those children served by this organization. Additionally, we "Filled the Freedge" on the second Wednesday of the month. I encourage everyone to contribute to this effort. It is such an easy and gratifying way serve. See the CCAP page <https://www.ccapwinchester.org/about-3> for details.

December is a busy time and there are many opportunities to serve with Outreach. Our WATTS week is 2-9 December. There is a Sign Up Genius on the Burnt Factory website if you'd like to lend a hand. The United Women in Faith are collecting for a "Welcome Home Basket" for the Lauren Center to help those women set up a new home.

The Outreach team wishes you all a blessed and joyous Christmas and invites you to come join us in mission to spread God's love and share the gifts of his Grace and Mercy to all those we meet.

Merry Christmas!

Grace and Peace,

Sharon Woodard, Outreach Chair

## CCAP Corner

### December 2023

*CCAP is a cooperative effort of individuals, civic groups, businesses, and religious communities in Winchester and Frederick County. They have unified to provide financial, material, and supportive assistance in a loving way. Even with the help of existing social service programs, CCAP clients are unable to meet their needs and responsibilities. CCAP's desire is to do God's work in a world where many basic human needs are simply not met.*

#### **CCAP is so thankful for our church's November Collections:**

- We collected food and monetary donations for more than 22 complete Thanksgiving meals including a turkey or ham. These meals were given out to the community on November 18 so that families could prepare their own meals and enjoy time with loved ones on Thanksgiving Day. (In addition to the 22 meals, we collected 85 food items, 16 turkeys, 3 hams and 76 aluminum roasting pans. We had several monetary donations that allowed us to fill in with items still needed for the giveaway).

#### **Volunteers are needed at CCAP:**

- Drivers to pick up store donations.
- Clothing Sorters: There are openings Monday-Friday. Hours are 10am-1pm.
- Clothing House Workers: The clothing house is open Mon, Tues, and Thurs from 9-noon. Workers are needed to assist clients in the house and to maintain the inventory.

**TWO Friendly Neighborhood FREEDGES:** The original at 419 N Cameron St and the newest at 700 Aylor Rd at Abundant Life Church are open **24 hours a day!!** These are intended to serve low-income residents. Items needed: Fresh fruits and vegetables, granola, cheese, prepackaged sandwiches, garden foods, and yogurt. You can drop off your food at **any time.**

## ***Chorus Spotlight***

*"We believe in God the Father  
We believe in Jesus Christ  
We believe in the Holy Spirit

We believe in the crucifixion  
We believe that He conquered death  
We believe in the resurrection  
And He's comin' back again

1. **Why did the name of the church change from Burnt Factory United Methodist Church to Burnt Factory Church?**

The congregation voted to disaffiliate (separate) from the UMC because of differences over long-standing traditional biblical interpretations. Burnt Factory will remain Methodist in the Wesleyan Tradition but not be connected corporately or bound in any way to the UMC.

2. **What kind of church is Burnt Factory Church?**

Burnt Factory Church is an Independent Traditional Methodist Church which will adhere to & practice the classic Methodist doctrines, beliefs, liturgies, creeds and spirit. In fact, the church will keep participating in all the missions and ministries that have been so important in bringing help, service, faith, hope and love to our community and abroad.

3. **How is Burnt Factory Church different?**

Burnt Factory Church is now a non-stock, non-profit church corporation which will be governed by a Board of Servants (Directors). The Board presently is made up of thirteen members. The Board is similar to the past Administrative Council. The other major difference is that BFC now owns their land & property and will be free to make decisions as the board and congregation see fit. Our property is no longer held in trust by the UMC.

4. **How do we receive a Pastor? Are they still appointed?**

No. Pastors are now employees of the church and serve at the pleasure of the board of directors. The office of pastor is no longer connected to a larger denominational polity. The church would now have the responsibility, in the event of a pastoral change, to form a search team that would recommend the hiring of a new pastor to the board and to the congregation. The board also would define who qualifies to hold the office of Pastor.

5. **What about my membership?**

A member can always (1.) withdrawal their membership (2.) move their membership to the Virginia Annual Conference of the UMC or (3.) transfer their membership to another church. If none of these options are chosen, then a BFUMC member will automatically be discontinued in the UMC and become a member of Burnt Factory Church.

6. **Can we still attend Camp Overlook, the Emmaus Walk retreat & participate in UMVIM mission trips?**

Yes.

**7. Can we still use the UMC logo known as the “Cross and Flames” ?**

We must remove all advertising and signage that uses the Cross and Flames logo. We are not required to replace bibles or hymnals that bear the image of the cross and flames.

**8. Will there still be an annual church meeting to approve budgets and personnel?**

Yes

**9. Will our mission statement, scriptural foundation and credo be the same?**

Yes, we still seek to make disciples of Jesus Christ for the transformation of the world. We will still let our lights shine so that others can see it and praise their Father in heaven. We will still share the love of Christ with all people. And yes, we will still seek to be radical in our hospitality, passionate in our worship, intentional in our faith development, risk-taking in our mission and extravagant in our giving.

**10. Will the sacraments of Baptism and Holy Communion be the same?**

Yes. All the liturgies we have used in the past will remain the same.

**11. Who is on the Servant Board of Directors & what are their positions?**
