"Let your light so shine before men that they may see your good works and glorify your Father who is in heaven."
Matthew 5:16

Easter is the greatest celebration in the history of the world! The fact that Jesus Christ rose from the dead is the foundation and heart of our faith! As we journey through the season of Lent heading toward Easter Sunday, I thought it would be nice to share this poem with you.

It's entitled: "The Heavenly Grocery Store".
The author is unknown.

I was walking down life's highway a long time ago and one day I saw a sign that read "Heaven's Grocery Store."

As I got a little closer, the door came open wide and when I came to myself, I was standing inside.

I saw a host of angels who was standing everywhere, one handed me a basket and said, "Child, shop with care."

Everything a Christian needed was in that grocery store and all you couldn't carry --- you could always come back for more.

First, I got some patience, love was in the same row; further down was understanding, you need that everywhere you go.

I got a box or two of wisdom, a bag or two of faith and I couldn't miss the Holy Ghost for it was available all over the place.

I stopped to get some strength and courage to help me run the race. My basket was getting full when I remembered I needed some grace.

I didn't forget salvation, for salvation was always free, so I tried to get enough of that to save both you and me. Then I started to the counter to pay my grocery bill, for I thought I had everything, to do my master's will.

As I went up the aisle, I saw prayer. I just had to put that in, for I knew when I stepped outside, I would run right into sin.

Peace and joy were plentiful, they had their own shelf, songs and praises were hanging near, so I just helped myself.

Then I said to the angel, "Now how much do I owe?" he smiled and said, "Take them everywhere you go." Again I smiled and said, "Really, how much do I owe?"

He smiled again and said, "My child, Jesus paid your bill a long time ago."

May the grace and peace of God and of His Son, our savior Jesus Christ, be with you this Lenten season and may the conviction of the Holy Spirit bring you a repentant heart and a transformed soul and may this Easter be the celebration of all celebrations as we give God all the glory. He is risen! He is risen indeed!

The Surprising Importance of Saliva

Saliva is made by several salivary glands in the mouth. It consists mostly of water (about 99%). It can contain over 1,000 different types of proteins and other molecules. Saliva or spit has many important roles. It helps to moisten food making it easier to swallow. It contains proteins that help break down food and begin the digestion process. Saliva also includes minerals that can strengthen teeth and prevent decay. It also contains antibodies that help to block and help keep your mouth clean and healthy.

Saliva can also give clues to your health. Saliva tests can quickly detect certain infections, like HIV or COVID-19, with no need for needles to draw blood for testing.

We don't think about saliva very often, but it's always a part of our lives. When we're healthy, we're producing saliva all the time. It even plays a role in our ability to communicate. When we talk, our lips, tongue, and teeth all move in ways that depend on having moisture in the mouth. Saliva is usually taken for granted, but problems can arise if you have too little, or even too much.

If you don't have enough saliva, it's a condition called dry mouth or xerostomia (pronounced ZEER-oh-STOH-mee-ah). It can be caused by a decrease in how much saliva you produce or by changes in your saliva's makeup that make it feel different.

Dry mouth can simply be a nuisance, arising if you're dehydrate, stressed, or while taking certain medications. If it lingers, it can have a major impact on your quality of life and overall health. It can make swallowing difficult and reduce your ability to taste and enjoy food. Dry mouth can also make it hard to chew and speak.

Dry mouth can have several causes. Many medications have side effects that can reduce saliva flow. Certain cancer treatments can harm the salivary glands. Some medical conditions can trigger dry mouth too. These include diabetes, AIDS, and a disorder call Sjogren's (pronounced SHOW-grins) syndrome.

Sjogren's disease damages the glands that make saliva and tears, which leads to dry mouth and dry eyes. It can be hard to diagnose because its symptoms vary, depending on the cause.

If you have concerns related to saliva and your mouth, it's important to talk with your health care provider. Salivary symptoms can be early signs of disease, so it's worthwhile to bring up. It's important to be mindful of your saliva and oral health.

The following are ways to ease dry mouth symptoms:

- Drink plenty of water
- Chew sugarless gum or suck on sugarless hard candy to trigger saliva flow
- Avoid tobacco, alcohol and drinks with caffeine. They can dry out the mouth.
- Sip water or a sugarless drink during meals to make chewing and swallowing easier.
- Use a humidifier at night
- Talk with your doctor or dentist if the symptoms don't go away

As always praying for your health and well-being. Praying that today you will be both a blessing and blessed.

Greetings from the Outreach Team!

The Outreach Mission Statement

1 Peter 4:10-11 "Each of you should use whatever gift you have received to serve others, as faithful stewards of God's grace in its various forms so that in all things God may be praised through Jesus Christ."

Every time I sit down to write the Outreach article for the newsletter, I read our mission statement. It helps me to remember the "why" of what we do. We are so blessed at Outreach to have such wonderful, generous, and enthusiastic volunteers that share their gifts so that in all things God may be praised through Jesus Christ. Our ministries are thriving, and we are grateful for the participation of all the Burnt Factory Family in our efforts. We have so much to look forward to this Spring and this year! You will agree when you read the articles and contributions of our ministry leaders.

On February 18 we had our second Family Promise Sunday meal distribution. We served 87 people, including 31 children and 47 adults. The original number was 72, but some additional families were able to be fed because of the generous giving of Burnt Factory Church. We had 3 delivery teams that took meals to 10 different motels through out the city of Winchester and Frederick County. What a tremendous outpouring of love and hospitality!

On the second Wednesday of each month, we "Fill the Freedge". This is an ongoing effort to raise awareness and participation in donating to the CCAP "Freedge" at 419 N. Cameron Street in Winchester (in the alcove in front of the Our Health building) and at 700 Aylor Road in Stephens City (at Abundant Life Church). Just drop by anytime during the day and drop items off. It is such an easy and gratifying way serve. See the CCAP page <https://www.ccapwinchester.org/about-3> for details.

If you would like to learn more about Outreach, please join us at our next meeting on March 7th at 7pm in the lower cottage.

Grace and Peace,

Sharon Woodard, Outreach Chair

Intentional Prayer Group

The Intentional Prayer Group will meet in the new Prayer Room on Saturday, March 9 at 10:00 a.m. Everyone is welcome. Please join us as we lift our voices in prayer for our congregation, our pastor and staff and the wider world around us. As the Apostle Paul exhorts us in Philippians: "Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace that transcends all understanding, will guard your hearts and your minds in Christ Jesus."

If you have any questions, contact Kathy Dixon at 703-407-2441.

Thank you from our second Afghan refugee family!

During January and February many from the congregation donated money and household items for which the refugee family that arrived in Winchester on January 3 is incredibly grateful. They express their deep appreciation to each of you!! They feel welcomed and we were able to meet many of their initial needs.

The final tally shows giving of \$2250 of which \$250 was given to the family for immediate needs, and the remainder was used to purchase a washer and dryer, rugs for the first floor living areas, privacy curtains and a bike/lock/helmet which is used to get to work.

Other donations included a Chromebook, a television, a rug for upstairs, an electric pressure cooker, a crockpot, 2 large door mats, winter jackets, hats, gloves, scarves, (the boys arrived in t-shirts), lots of paper towels and toilet paper, dish and laundry detergent, a laundry basket, a microwave oven, a vacuum, an end table and a couch.

The family is settling in quite well. The father and 20 year old son have started work and the two younger children are at Handley High School. They also have the benefit of our initial Afghan family helping them to adjust to life in the U.S. (the two fathers are brothers and they were neighbors in Afghanistan). Both families are incredibly grateful to Burnt Factory Church for showing them God's love ❤️. Well done good and faithful servants!!

Mission Trip Opportunity!

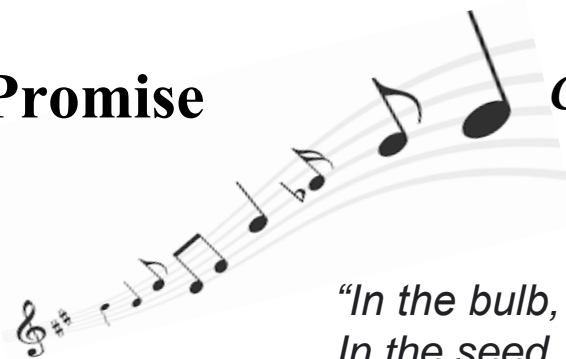

Burnt Factory Church will be sending another mission team to Delaware County/Philadelphia PA April 7-12, 2024. We are working through United Methodist Volunteers in Mission (UMVIM) and their local affiliate Project Restoration. This particular area on the southwestern side of Philadelphia was hit by flood waters during Hurricane Ida in September 2021. Two and a half years later many families are still waiting for assistance. Project Restoration is reaching out to people that are unable to afford to repair their own homes. Most had homeowners insurance but many found that it didn't cover flooding. And lots of those being served are elderly, disabled or widows.

Team members do not need any particular skills to serve...just a willing heart. Serving may include listening and supporting family members, cleaning and sorting, demolition, installing floors, drywall, painting, electrical, plumbing, runs to Lowes, cooking for the team etc.

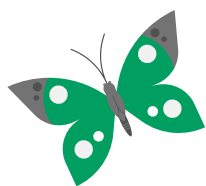

If you are sensing God's nudge to be a part of this special outreach, please come to the initial team meeting on Monday, March 4 at 7 p.m. in the Lower Cottage. You may also contact the team leader Marcia Etu with any questions (518-744-5159, marciametu@gmail.com).

Hymn of Promise

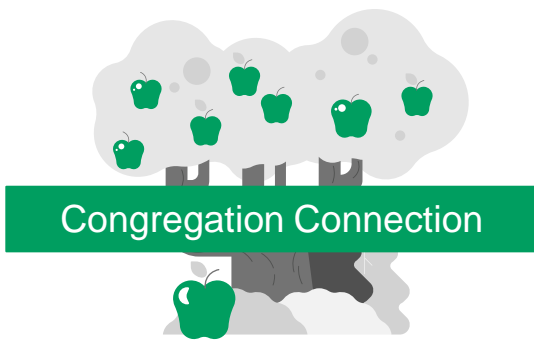

Natalie A. Sleeth
(1986)

Chorus Spotlight

*"In the bulb, there is a flower
In the seed, an apple tree
In cocoons, a hidden promise
Butterflies will soon be free
In the cold and snow of winter
There's a spring that waits to be
Unrevealed until its season
Something God alone can see"*

Name: Randy Cornwell

Hometown: I was born in Syracuse, NY and moved to Stephens City in 1964.

Time attending Burnt Factory Church: About 11 years

What would you encourage others to get involved with? I would encourage anyone with the gift of voice or music to join the music program. I love singing, but a few years ago I had a tumor removed from my vocal cord and can no longer sing. Share your gift while you can and be a part of the many ministries offered at Burnt Factory Church!

Favorite part of Burnt Factory Church: I find it a blessing to be a part of Sunday services and be a member of the Burnt Factory Church family.

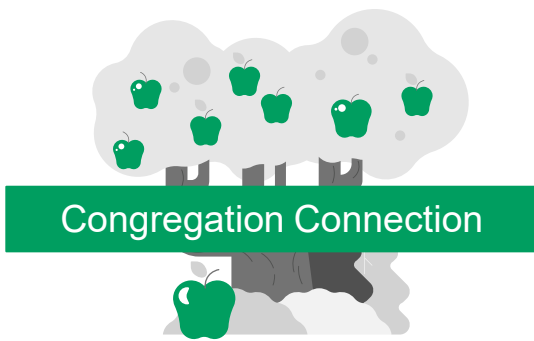

Favorite hymn: My two favorite hymns are *How Great Thou Art* and *They Will Know We Are Christians by Our Love*.

*O Lord my God, when I in awesome wonder
Consider all the *worlds thy hands have made,
I see the stars, I hear the *rolling thunder,
Thy power throughout the universe displayed:*

*Then sings my soul, my Savior God, to thee:
How great thou art! How great thou art!
Then sings my soul, my Savior God, to thee:
How great thou art! How great thou art!*

Favorite scripture: My favorite scripture is Psalm 23.

“The LORD is my shepherd, I lack nothing. He makes me lie down in green pastures, he leads me beside quiet waters, he refreshes my soul. He guides me along the right paths for his name’s sake. Even though I walk through the darkest valley, I will fear no evil, for you are with me; your rod and your staff, they comfort me. You prepare a table before me in the presence of my enemies. You anoint my head with oil; my cup overflows. Surely your goodness and love will follow me all the days of my life, and I will dwell in the house of the LORD forever.” – Psalm 23

Name: Pat Perry

Hometown: Winchester, VA

Time attending Burnt Factory Church: I came to Burnt Factory in my Mother's womb and was born in 1938, so I guess I have been attending at least 86 years!

What service do you regularly attend: 2nd service

What would you encourage others to get involved with? I would encourage others to attend the bible studies Pastor Steve conducts. Also if you are interested in the history of the church, I would encourage you also to take a walk down to the library and look at pictures and writings of the history.

Favorite part of Burnt Factory Church: One of my favorite things of Burnt Factory is the warm welcome you have always received over all the years I have been here. With being the oldest attending member, there are many wonderful memories. One of my favorite memories over the years would be when we got indoor plumbing and water with the 1st addition completed of our church in 1969.

Favorite hymn: "Here I Am, Lord"

*Here I am, Lord
Is it I, Lord?
I have heard You calling in the night
I will go, Lord
If You lead me
I will hold Your people in my heart*

Favorite scripture:

"16 For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life. 17 For God did not send his Son into the world to condemn the world, but to save the world through him. 18 Whoever believes in him is not condemned, but whoever does not believe stands condemned already because they have not believed in the name of God's one and only Son. 19 This is the verdict: Light has come into the world, but people loved darkness instead of light because their deeds were evil. 20 Everyone who does evil hates the light, and will not come into the light for fear that their deeds will be exposed. 21 But whoever lives by the truth comes into the light, so that it may be seen plainly that what they have done has been done in the sight of God." - John 3:16-21
